PREFACE

The Secretariat of the International Coconut Community (ICC) is pleased to publish the Nineth Edition of the *Directory of Traders (Exporters/ Importers) and Equipment Manufacturers,* published since 1995 as part of its mandate to promote product and market development in the coconut industry by disseminating relevant information about the traditional and emerging coconut products as well as the traders (exporters and importers) of these products in the world market.

This Directory would be beneficial for those who are directly and indirectly engaged in the coconut industry. The Directory contains information of 4,440 entities of coconut-based businesses who are involved as manufacturers and trade as exporters and importers of coconut products. The second category included are manufacturers of coconut processing equipment and machinery. The entries are alphabetically arranged by country name and company name. The Directory is equipped with indexes arranged by country name to facilitate the retrieval of information.

We express our sincere gratitude to the stakeholders who have contributed towards the Nineth Edition of this Directory including all National Liaison Officers of ICC member countries as well as BPS-Statistics Indonesia, United Coconut Associations of the Philippines, the Philippine Coconut Authority, Coconut Development Authority of Sri Lanka, Coconut Development Board and Coir Board of India, Ben Tre's Business Directory, International Trade Centre and other institutions.

I would like to sincerely appreciate the dedicated and tireless efforts of Mr. Alit Pirmansah, Market & Statistics Officer, for diligently collecting, compiling and organizing the relevant information, with the invaluable assistance of Ms. Mridula Kottekate, Asistant Director, and Mr. Rahman Halim Novrizal.
